

## The Hill Intern Application

(Please Print Legibly)

Hello!

Thank you for your interest in the summer internship and discipleship on The Hill! This ministry began a little over 40 years ago when Bob Warren, the founder, was asked by six college students to lead a Bible study. Throughout the years, the ministry evolved and expanded. Today, many high school and college students, as well as adults of all ages have visited The Hill to explore the heart of God, the grace offered through Jesus, and the freedom that belongs to those who have entered into a relationship with Him. While the property is used for many different events and guest groups, our heartbeat is personal discipleship.

Christ's love compels us to help believers encounter and explore the depths of Jesus by providing an environment where people can "press on to maturity" (Heb. 6:1). Understanding God's grace and our identity in Christ welcome us into the joy, freedom, and rest God intended for us. We aim to dig into what it means to know Him through daily life with all the folks who live here.

After several years of hosting an intern for discipleship, what we look for in a potential candidate has become more defined. The ideal candidate is one who already has hunger for the person of Christ and is inclined toward discipleship in identifiable ways.

The same mandate given by Paul to his spiritual son Timothy resonates with us:

*The things which you have heard from me in the presence of many witnesses, entrust these to faithful men who will be able to teach others also. (2Tim. 2:2)*

What we look for in a potential resident is:

- A passion to know the heart of God
- A faithful man or woman
- Those who understand the value of and have a desire for discipleship
- Someone who genuinely desires to be an active part of the ministry and participate in what God has called us to do.

We realize a person having all of those traits fully developed wouldn't need much discipleship. However, we are looking for the seeds of those traits that can be cultivated into a fruitful life in Christ.

The Hill is not a place of escape or convenience for the candidates we consider. On the contrary, we are called to be a place of intentional discipleship with highly engaged participants.

Upon receiving your application, we will set up an interview with you, either in person or by Zoom, to talk in more detail about your application and discuss any further questions. Internship applications and interviews must be completed by March 14<sup>th</sup>. An intern will be chosen and communication sent out to all applicants by Monday, March 17<sup>th</sup>.

Please let me know you have questions regarding the application or process.

Much love in Christ,  
Your Friends at The Hill
